Workgroup: Recommendations for systems development

Funding: Building Partnerships and Leveraging Resources

1. Work together to frame common goals/vision.
   a. Develop strategy focusing on partnerships
   b. Generate and promote at state and local level
   c. Reduce competition among providers
   d. What are commitments of key players?

2. Conduct needs assessment.
   a. Build on available resources
   b. Include programs and human resources

3. Anticipate staffing needs.

4. Research and address top potential funding sources
   a. Start small

5. Institutionalize and enhance information sharing
   a. Keep information flowing
   b. Put students first

6. The key strategy for leveraging resources for the development and maintenance of distance education programs for ALL Oregonians is to work in Partnerships through which information and tangible resources are shared.
