House Bill 3141

Sponsored by Representative FLORES; Representatives CAMERON, DALLUM, THATCHER, WHISNANT, Senators MORRISETTE, WESTLUND

CHAPTER .................................................

AN ACT

Relating to education; creating new provisions; amending ORS 297.210, 327.008, 327.026, 336.631, 338.025 and 338.115 and section 2, chapter ___, Oregon Laws 2007 (Enrolled Senate Bill 462); appropriating money; and declaring an emergency.

Whereas in Oregon 28 percent of eighth graders and 21 percent of eleventh graders are currently overweight; and

Whereas between 1994 and 2001, obesity among Oregon adults had increased by 59 percent, with Oregon’s current adult obesity rate estimated at 22 percent - the highest in any state west of the Rockies; and

Whereas physical inactivity and a poor diet together account for at least 400,000 deaths among adults in the United States each year, which is second only to tobacco use as the leading cause of preventable death in the United States; and

Whereas inadequate participation in physical activity is the major contributor to the “epidemic of obesity” that has plagued the nation’s young people during the past two decades; and

Whereas the Centers for Disease Control and Prevention, in their Guide to Community Preventive Services, have given their highest level of evidence-based endorsement to increasing children’s physical activity and aerobic capacity through physical education; and

Whereas physical activity offers young people many health benefits, including controlling weight, building lean muscle and reducing fat, improving aerobic endurance and muscular strength, building greater bone mass to prevent osteoporosis in adulthood, reducing the risk of diabetes, preventing or reducing high blood pressure, and developing healthy habits that will last a lifetime; now, therefore,

Be It Enacted by the People of the State of Oregon:

SECTION 1. The Department of Education shall collect data from school districts on:

(1) The number of minutes of physical education that are provided to students in kindergarten through grade 8 each school week in each public school within the district;
