

School Test Coordinator Assurance of Test Security

I have read and understand the 2016-17 Test Administration Manual and have received Test Administration and Security training for the current school year.

I will make every attempt to ensure that all students participate in testing. In accordance with the Test Administration Manual, I will use appropriate administration codes to ensure that students’ scores reflect actual test administration procedures. I will not make copies of the test items or otherwise retain them. I will immediately return or report any Oregon test items or test booklets from previous years to my District Test Coordinator.

I will instruct staff on test administration procedures, and security according to the Test Administration Manual, including but not limited to:

- Handling and administering the Oregon Statewide Assessments in a secure manner.
- Consistently using the Oregon Accessibility Manual to understand allowable administration in response to student requests or when the student’s IEP indicates an alteration in how a test is being administered.
- Preventing any review, discussion, or analysis of test items before, during, or after testing with either students or adults.
- Monitoring students during testing for inappropriate behavior such as use of instant messaging, taking digital pictures of test items, or other possible methods of cheating.
- Avoiding any review, evaluation, or other involvement with student responses.
- Never scoring the tests or otherwise giving students any feedback as to how well they are performing.
- Accessing printed student test materials only on the day of testing when tests are being administered to students or during processing.
- Not reviewing test items, even if a student believes they are flawed.
- **I will notify the District Test Coordinator immediately (within 1 business day) upon learning of a potential impropriety or irregularity, whether it is intentional or unintentional.**
