2011-2012 School Report Card

Keno
Elementary School

Dear Parents and Community Members,

October 11, 2012

The Oregon Department of Education is proud to issue the 14th annual Oregon School Report Cards. Oregon currently rates schools as either "Outstanding," "Satisfactory," or "In Need of Improvement" based on factors including student test results, participation, and academic growth. In order to ensure that these reports provide you with the best possible information about your school and your student's education, we will be working to redesign and improve the Report Cards over the coming year. We welcome your feedback on this redesign process and hope that the information in this Report Card helps to paint a picture of both the successes and opportunities for improvement in our schools. To share your feedback, go to: www.ode.state.or.us/go/nextgen.

ACHIEVEMENT DATA

Academic Achievement Percentage of Students Meeting Standards

The graphs below show the percentage of students in your school at the indicated grades that met or exceeded the state standards on Oregon Statewide Assessments during the last two school years. District, state, and comparison school averages are displayed. Comparison schools are Oregon schools with similar demographics.

Improvement in Student Performance

The table below shows the percentage of students in your school in grades 3-8 who either met or exceeded state standards or met their growth target in reading and mathematics for the last two school years. Growth targets are set yearly for students up to grade 8 and are based on each student's performance in the previous school year. Growth targets do not apply to students in high school or students who did not test in the previous year.
