

We want you to be part of Oregon’s State Network of Educators!

Smarter Balanced and Oregon are seeking **85 K-12 educators** who have **significant experience in formative assessment and deep knowledge of English Language Arts/Literacy and Mathematics Common Core State Standards (CCSS)** to join Oregon’s State Network of Educators and help review professional learning resources for the Smarter Balanced Digital Library.

<p>State Network of Educators (SNE)</p>	<p>The SNEs will work with Oregon’s State Leadership Team and play a critical role in identifying, submitting, and vetting resources for the Digital Library. Specifically, between September, 2013 and September, 2014, SNEs will:</p> <ul style="list-style-type: none"> • Receive five (5) web-based trainings • Propose and review content for the Library • Have early access to the resources and collaboration tools and use them for their professional learning • Provide feedback on the resources and the usability of the Library <p>We are looking for K-12 and higher education professionals with expertise in the CCSS for ELA and Mathematics and formative assessment who have served one or more of the following student types: General Education; Gifted and Talented; English Language Learners, and Students with Disabilities.</p>
<p>Digital Library</p>	<p>Smarter Balanced is committed to providing resources, tools, and professional learning opportunities for educators so that they can tailor instruction to student needs based on information from a coherent, balanced assessment system. The heart of the formative practice resources is the Digital Library. The Digital Library is an online, user-friendly, searchable library for educators that contains only high quality vetted resources. It is interactive and allows educators from member states to use and rate resources and collaborate.</p>
<p>Smarter Balanced</p>	<p>All children deserve an education that prepares them to take advantage of the wide array of career and education options available after high school. Smarter Balanced is an educator-led consortium of states that helps schools fulfill this mission by providing high-quality assessments of student progress toward meeting the high expectations defined in the CCSS for English language arts and mathematics. As a state-led organization comprised of K-12 and higher education leaders and educators, Smarter Balanced strives for quality, innovation, transparency, efficiency and fairness in the development of a formative, interim, and summative assessment system to improve teaching and learning and to support accountability.</p>

SNE’s are eligible for a \$1500 stipend and professional development units. All qualified educators are invited to apply. The application period runs from **Wednesday, May 15, 2013 - Monday, June 10, 2013**. To begin your application, click the following link:
