Career and Technical Education

Eastern Oregon University is offering courses for Career and Technical Education (CTE) instructors that meet the requirements of the Teacher Standards and Practices Oregon Administrative Rules for individuals who hold the CTE I license. These courses may be of interest to those who are considering a career in CTE or current teachers who are seeking professional development. The first course in the series is being offered in winter term 2015. One or two new courses will be added each term until a full complement of courses meeting all CTE I requirements is offered every term. The courses are offered at the credit overlay price, currently \$100 per credit.

These courses are intended to be self-paced modules, allowing the student maximum flexibility for completion of the courses on an independent schedule within the framework of the academic term. All registrations need to be submitted no later than the third week of the EOU term, and course participation must begin no later than the fourth week of the term. For the current term, the latest registration submission date is January 23 and the latest date to begin work in the course is January 30. All course work must be completed no later than March 18 at 5:00 PM.
